## *Jenna "Meowbah" Hutcheson*

### *Trigger Warning:*

*This document contains topics relating to Self-Harm, Pedophilia, Child Pornography, child grooming, doxxing Islamaphobia, and much more.*

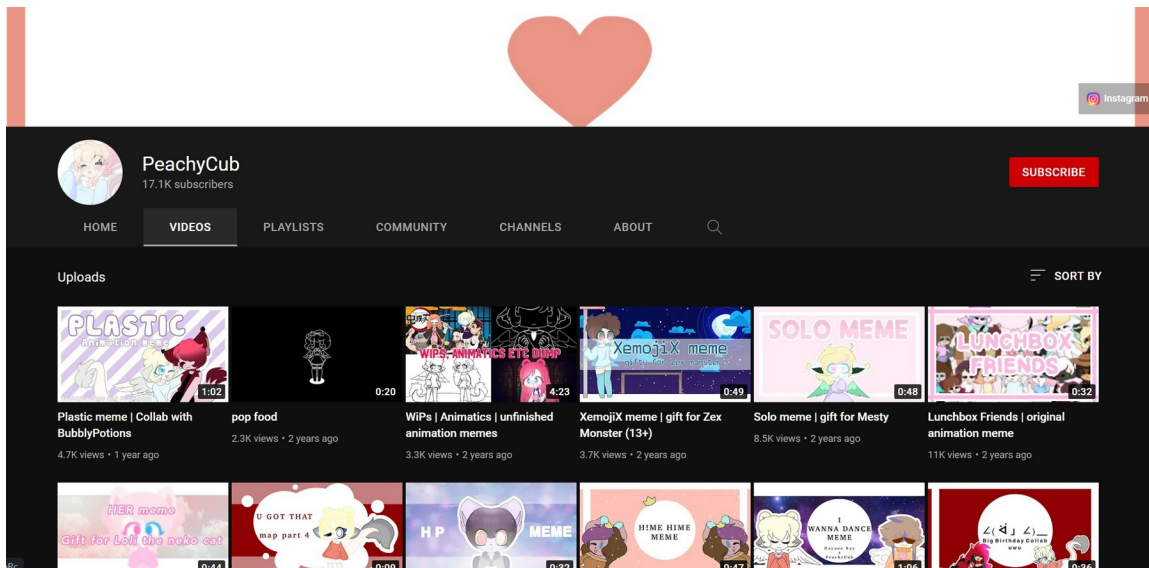

### *Introduction:*

Meet Jenna Leigh Hutcheson, also known as "Meowbhh." Jenna is an 18-year-old online personality who lives at 55 Weyers Rd, Nudgee, Queensland, 4014. Australia. Her debut started on her YouTube channel, known as "PeachyCub," her first known online alias. Meowbah is currently her primary online alias, infamously known for her highly toxic and vile online behavior.

PeachyCub started to create YouTube videos for the video game series "GachaLife" (A children's roleplaying and dress-up game). GachaLife enables players to create their own "scenes," which can be used to tell stories. Most of these videos were created when she was around 13-14, which is typical. Despite her age, most of the content on her channel has sexual connotations. It regularly shows curated characters re-enacting lewd, sexually suggestive poses and dances.

As seen in the above photo, we can see relatively mind conversation within the first two speech bubbles. It can be disregarded as simple childish behavior. However, the last message, "Vore me, dad," is quite alarming.

The verb "vore" (term 'Vorarephilia') means "A typically erotic desire or sexual fantasy to be consumed or to consume another." PeachyCub seems to use the definition in her video knowingly. At this point, she was only around 15 years old, which creates causes for concern as not many children would even know what 'vore' is at that age. This leads us to the following topic: Exploitation.

### Exploitation:

We introduce a new persona to the story, meet Crystal, Real name "Erik Madison." Erik is a 17-year-old male who actively engages in a child sextortion/pedophile ring "KVA" (Keep Valdrex Alive). It is unclear if Valdrex is the owner of the pedophilia ring. However, he is a core group member who is worshipped for grooming and exploiting multiple underage girls. Another individual, "Crystali," has also been heavily involved with the exploitation and grooming of PeachyCub. Crystali will be referred to as his real name, Erik Madison, to avoid confusion.

Multiple members of the Art/Gacha community created videos with further detail into the character of Erik and Cristali.

Erik has been a member of the Art community since 2012, mainly drawing animated female wolves with a short storyline or animation. Most were either hand-drawn animations or used in the studio editor of the Gacha Life's app. Just like PeachyCub, both had concerning levels of sexual suggestion.

He met PeachyCub on Instagram and then proceeded to doxxed her. Doxxing is the term for "of collecting personally identifiable information about a user and writing it onto a document, which is then used mainly for nefarious purposes and/or cause distress)." In this position, Erik extorted her into

sending indecent images and videos of herself, or else he would threaten to release her address and wreak havoc upon her life. PeachyCub, unfortunately, complied with Erik's demands and fulfilled his demands. As PeachyCub was a minor at this stage, Erik committed a federal crime of extorting a minor for child pornography, and PeachyCub as she distributed child pornography.

Erik's unusual behavior was then noticed amongst his peers, which led to an internal investigation within their friend group, to which, to their horror they found out what he has done.

Not going to get much in to this since this post is not really about that, you can watch these two videos with provides more information and context:

### Rise to fame:

It's finally here, the juicy bit of the story!

Meowbah created her first YouTube video on her channel on March 30th, 2022, which consisted of a talent show. She then started to upload YouTube Shorts to her channel, but mainly uploaded to her most popular social media account: TikTok. Where many of her fans discovered her, currently, she has a following of 1.5Million on TikTok, ~400,000 members on her Discord server (now deleted), and 25,000 subscribers on YouTube.

TikTok: <https://tiktok.com/@Meowbah>

Discord (just found while editing): [discord.gg/meowbahx](https://discord.gg/meowbahx)

She is infamous for her child-like (described by many as 'irritating' or 'obscene' ) voice paired with her extreme and dark humor. Themes of racism, homophobia, and Islamophobia are almost always seen in her videos. She sees success within hate in her community; we believe she only cares about attention and user engagement (something her parents never gave!). Meowbah's videos are simply crafted, as she uses a preset of images of her character with different expressions to match the tone of her speech. She is classified as a 'PNG Tuber' (a personality type that has footage of video games in the background and 2D animated characters to resemble the narrator's voice.)

*Meowbah's Character in various facial expressions*

Her spark in popularity sparked from a viral video of her saying 'retard' in a hateful manner, without any shame at all. This incident was covered by multiple commentary channels and has since remained a core video of Meowbah's existence.

Meowbah says the slur without hesitation in her cringe voice, which sparked controversy in her community and further enlarged the mob against Meowbah. Ah yes. Following this, a hate group was formed called the "Meowbah Hate Squad."

The "Meowbah Hate Squad" is just like what it sounds. The group is dedicated to spreading hate to Meowbah and sometimes goes to extreme lengths, such as swatting or trying to stalk her in real life. Generally, it is low-level harassment, such as team raids on her Discord server, leaving nasty comments on her posts, etc. Some also post videos about her ridiculous word filters, such as the word "Cloak" (LOL!). Some make ban speed runs on her server and hate/meme videos. The most common type of videos is the ones where Meowbah says something slightly cringe. The video rapidly moves to an image of skeletons with a caption such as "Shut the fuck up, "fatherless," and "no one cares" in order to show their dislike of Meowbah.

*Example of skeleton memes relating to Meowbah:*

*Example: <https://www.youtube.com/watch?v=M--Eu6xtVPE>*

### Controversy:

As the nature of Meowbah spawns from hate, controversy is fate. Countless videos have been created by commentary channels discussing Meowbah's appalling behavior, cringe content, and her simp-infested fanbase. Popular YouTuber Jady created a video detailing this unacceptable behavior and how she does not feel any remorse/seriousness, as seen in her "apology" video. (If you can even call it that).

*Meowbah's "apology" video*

You can see in the clip that she is eating chips in the background while trying to say sorry as if she has a dick shoved up her nose, an apparent reference to herself being a dumb whore.

Multiple videos have been to expose her actions. Our favorite videos can be found here:

Meowbah has a Discord Server with her large fan base, which comprises her extremely toxic fanbase that goes to the extreme to worship Meowbah.

As seen in the image above, we can see her requirements for an unban on this server. They are certainly

vile and highly dehumanizing. The first rule is the most brutal and disgusting act: to get on all 4's and drink milk out of a bowl. Remember, this is to a server full of KIDS!! A child (14) has done this, unfortunately. (Linked below).

Evidence of Islamophobia can be reviewed on her TikTok channel. Those TikTok videos have been privated/deleted but a person on YouTube luckily re-uploaded them.

**“Meowism”**

*Official symbol of Meowism.*

Source: <https://meowbah.com/meowism>

*The first mention of Meowism was introduced on a Q&A on Meowbah' TikTok.*

There is an extended description of Meowism on Meowbah's official website (<https://meowbah.com>).

#### Meow make mad

There are numerous people angry at Meow, because Meow is supposedly has used swear words like the r-slur. Meow apologised profusely for that in a video. Meow has never said the f-slur and the n-word. \*slur\* n( · ω · )n

#### Meow let people laugh

Because of Meow's funny format, Meow lets people from all over the globe laugh. Meow hope you like Meow's videos. Check out the [r34](#) page ;) Enter Meow's kawaii super neko daiski Discord server!!! [discord.gg/meowism](https://discord.gg/meowism)

#### Meow make memes

With Meow's current followers, there are lots of memes sent of Meow. Fun for the community is one of Meow's key priorities. Please do not make [rule 34](#) art of Meowbah. It is not funny. Examples are given at the [r34](#) page of the site.

### The Index of Meowbah's website.

On her website, there is a section called "Meowism" which explains some beliefs about the religion, specifically that Meowbah is the "only God" and that she does not believe in any other religion, and that Meowism is the only true religion.

Instructions are displayed on how to join the cult, "*If you believe and pray to Meowbah each night you can become one with the Meowists. There are forbidden items to consume, and there are no set rules as of now on how to do your nightly prayer. Just believe in Meowbah. An alternative way to convert to Meowism is by printing out a picture of Meow-chan, putting it in a circle of lit candles and sing the Madoka Magica OP 1*".

Furthermore, as like most religions, there are forbidden items in Meowism, most noticeably (and kind of ironic) is that soft drinks such as Coca-Cola and Fanta is banned, however, Alcohol is not. Meowbah states that it is looked down upon, and that underage drinking is prohibited.

The cult leader sets a very hypocritical ground rule that pornography consumption is not allowed, with the exception of Madoka Magica (the anime character based of Meowbah's character appearance) and Meowbah character porn/hentai. Meowism has "commandments", (similar to Christianity) which highlights the most significant rules and, if broken, would lead to an unforgivable punishment.

The commandments are as follows:

1. Don't be gay
2. Don't be black (Niggas by the bay do not approve this)
3. Don't drink soft drinks.
4. Don't consume porn (LOL!)

Not only are these homophobic and racist, they're also ironic as hell.

There are several images of worshipers showing their gratitude and love for Meowbah, and the website even has its own dedicated section called "Stories", in which followers of the cult explain their story and show off their appreciation and crafts to other viewers.

**"Stories"**

Meowbah's website also has a section called "Stories", as explained above. Most of these stories are just edited versions of the Bible; Just the characters are edited into her own fucking fantasy world and slight edits.

Not gonna touch on this shit here, but you can take a read here: <https://www.meowbah.com/Stories/>

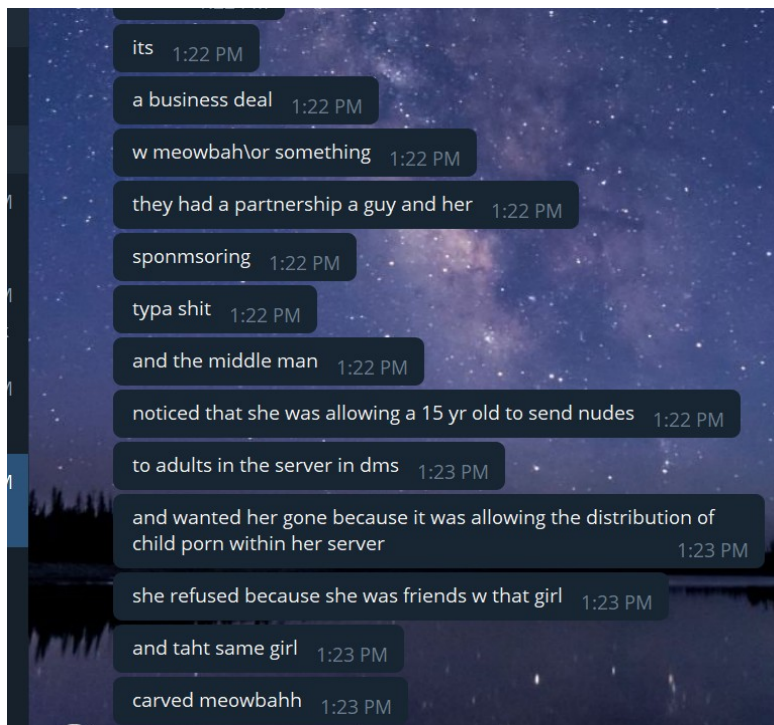

### **Abyss: The Ugly, Horrifying and Truth:**

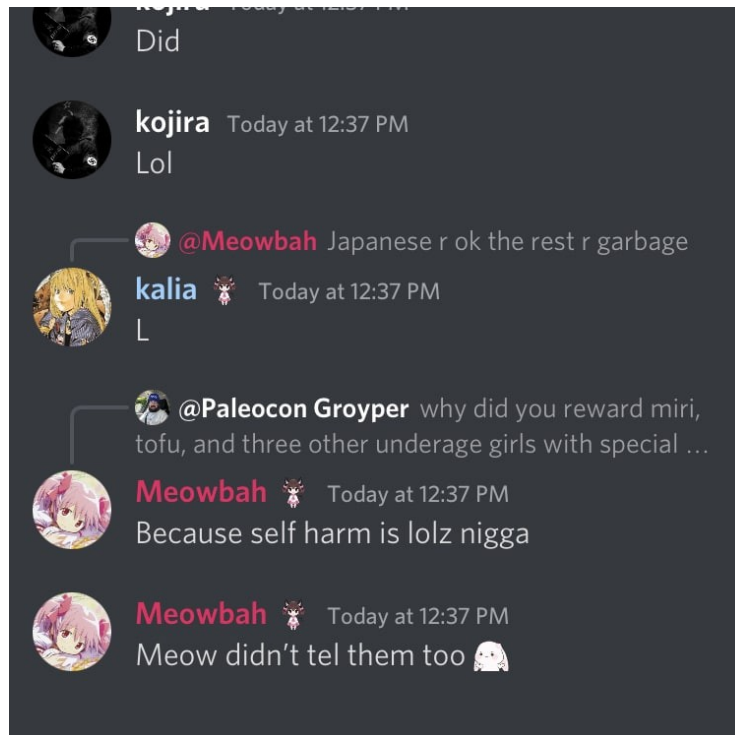

We covered much information about Meowbah's cringe and degenerate persona. However, things take a sinister turn when you see who she is. Meowbah is not just some retard spastic Egirl. Instead, she is much worse than you may have imagined.

Enter: 15yo friend, middleman & pedophile.

Little is known about this incident, yet, we here at Niggas at the Bay have worked tirelessly to find a lot about this juicy treat.

Meowbah was offered \$200,000 for some products. However, the seller received a few details about Meowbah's grooming and that she also **\*KNOWINGLY\*** allowed her server to be used as a pedophile breeding ground and **ALLOWED** minors to send indecent images of themselves to older men, and used her situation of being groomed as a coping mechanism. Not only is this fucking illegal, but it is immensely fucked up, but you know what is more fucked up? Allowing your friend to be groomed and refusing to ban her over a legitimate & lawful decision.

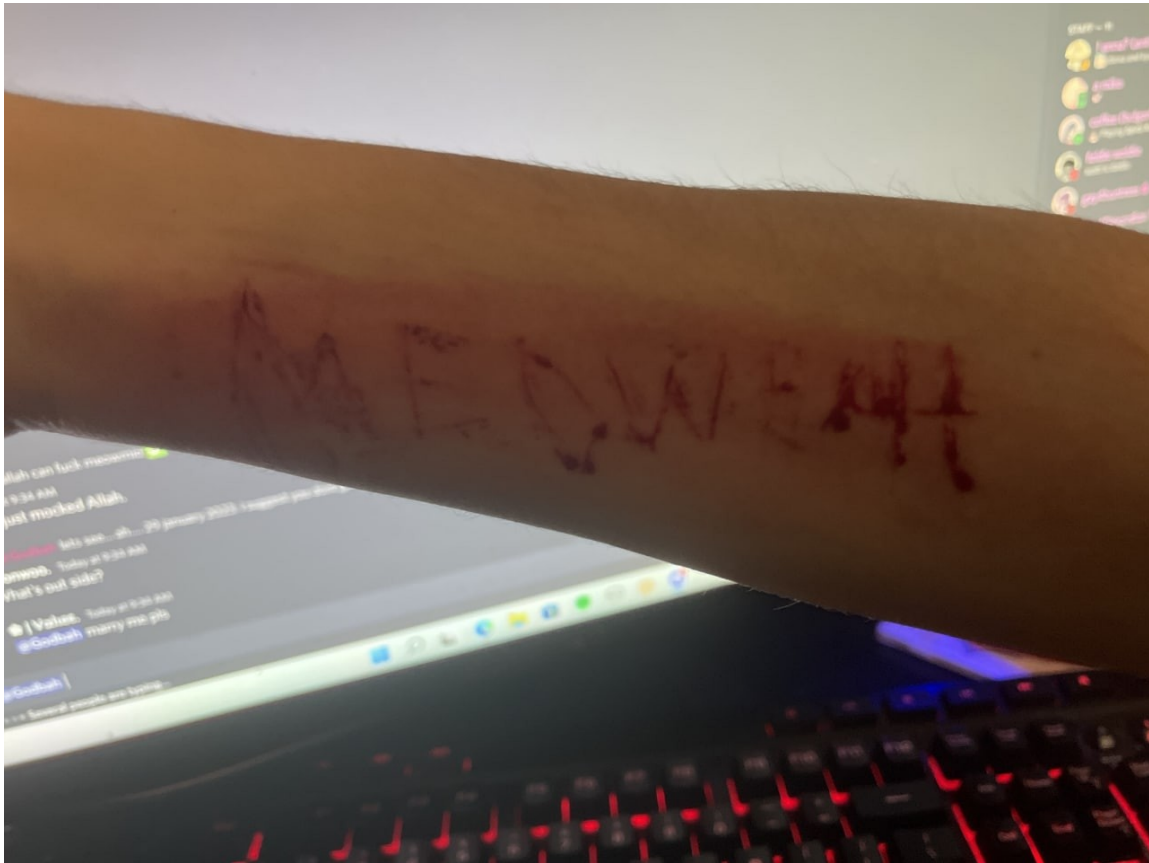

*Source: Tipped by Floppa on Telegram*

She is a total fucking freak, "self-harm is lolz nigga". While sure she is some edgy cunt, she is still an 'influencer' (ew). She is responsible for many of her fans as they will follow Meowbah to whatever she says. This is true for all celebrities. Nevertheless, Meowbah poses a grave danger to other people as she abuses her power by taking advantage of her members, such as making them create a cutsign.

**!! WARNING!!**

**BELOW (SELF-HARM) !!**

Meowbah rewarded one of her fans a special role in her Discord server for mutilating their arm with her name, instead of removing them from the server and reporting it. The role was called "Meow Extremists" which emphasizes her dangerous view and the utmost importance to throw her into a mental hospital.

One of her fans are aware of this nauseating behavior, and states that she actively rewards fans to create cutsigns by giving them staff in her server:

On a serious note (ALSO PLEASE READ):

Meowbah is a weird freak, As you can see here: <https://z.zz.fo/1zdzE.png>  
She is LITERALLY trying to get underage children to get on all 4s (like fucking animals) and drink out of a milk bowl  
This is freak behavior and probably due to the fact she has gotten GROOMED multiple times  
and as you know, usually the person who gets groomed likes to inflict their same pain on others!!

so fuck meowbah thats borderline pedophilia

also the reason: retard online likes to say slurs but comes from south africa  
rofl also faggot borderline pedophile

and for all you retards jacked basically means i gained access (hackzerd it with password)

EDIT: She deleted and privated some socials cuz shes scared of me but most is still up LMAO

EDIT #2: her sister changed most of her passwords to her accs after this event

EVIDENCE #1:

- Meowbah Is concurrently in all IRL Pics wearing a plad sort of clothing, As seen in her (CONFIRMED ALTS) Video here: <https://z.zz.fo/f67P7.png>  
The fact that this EXACT PATTERN in both her videos and these irl pics should be a 100% confirmation that this is her.

EVIDENCE #2

- Meowbahs voice is the same as "Peachycub" (Meowbah old alias) As seen in this video: <https://archive.org/details/peachy-cub-speaks-up-about-cristalinora-the-wolf-crystal-the-wolf>  
The voice in this archived video (UPLOADED ON: 2020-08-01 23:38:22) Sounds exactly like hers, and should also be a 100% confirm it is her.

EVIDENCE #3

- Meowbahs current Roblox (Made in 2021) <https://www.roblox.com/users/2361645903/profile>, Can be seen having a follower,  
the oldest one, following her and also being in her sisters ROBLOX GROUP!  
The person following her is her groomer, erik, and she used to have another user following her that was also following her sister, which was removed after I notified her of it to cover up evidence.

EVIDENCE #4

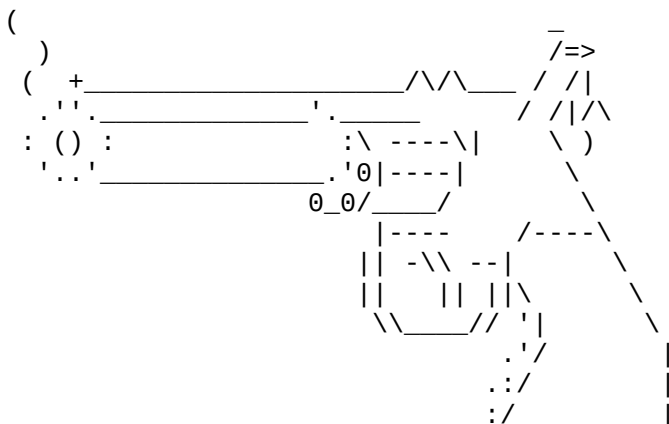

- In one of TeaCosplays videos (Her sisters youtube channel) You can see in one of her videos at a certain timeframe, the person filming the videos hands pops up pointing at someone! This hand coincidentally matches the one seen in the Meowbah video exactly.  
The video: [https://www.youtube.com/watch?v=CWcXJoa50\\_c&t=4s](https://www.youtube.com/watch?v=CWcXJoa50_c&t=4s) (TIMESTAMP IS 5:06)

EVIDENCE #5

- As proof the address is correct, I have logins to view the sisters orders under Her sisters socials + Pics if those logins dont work  
Check those out if you would like to confirm / add proof to the address.

That should be all the evidence you need to confirm this, I hope you enjoyed.  
WE DID THIS FOR THE PEOPLE!
